Mr Stephen Mayne,

Dear Stephen,

Re: Mietta Monday Forum

Thank you for your wonderful contribution to the Mietta Monday Forum on Monday, 3rd May. It was extremely kind of you, and understanding, that you made yourself available at such short notice. Your contribution to the discussion was invaluable and it is very clear that everyone there enjoyed the session immensely.

It's a remarkable thing that a subject which, at first sight, was so vague managed to generate such animated discussion. It is exactly the sort of discussion which the Mietta Mondays are intended to generate.

Again, my sincere thanks for your participation.

Very best wishes,
