Mr Stephen Mayne

October 24th. 2005.

Dear Stephen .

Thank you for speaking at the Templestowe Valley Probus Club meeting on October 10th and giving us a frank and open view of your life . Your fearless and humorous approach to public "targets" in the corporate world , have won over 100 fans in our club alone ,who will follow your career with enormous interest .

It can't be easy being a high profile person with a young family and an equally busy wife . So thank you again for sharing your life and ambitions with us , we sincerely wish you great success and will eagerly watch your progress .

Kindest regards ,

Gwen Young . Speaker Organiser
