Dear Stephen,

**Australian Institute of Company Directors  
Directors Briefing 10 August, 2004**

On behalf of the Australian Institute of Company Directors I write to thank you for speaking at our recent directors briefing entitled *Gaining Value from your AGM*. The presentations were well received by our guests, who found it extremely informative.

The feedback that we have received is that the briefing was a great success. I hope that you found your involvement to be valuable and worthwhile.

It was a pleasure to work with you and I look forward to working together again on future opportunities.

Yours sincerely
