Dear Shareholder

Acquisition of AH Marks Holdings Limited (UK) and proposed acquisition of Etigra LLC (USA)

On 5 March 2008, Nufarm Limited announced that it has acquired AH Marks Holdings Limited (AH Marks) based in Wyke, Northern England, and has signed a letter of agreement to acquire certain of the assets of Etigra LLC (Etigra) based in Cary, North Carolina.

The total consideration will be A\$236 million, consisting of cash consideration of A\$175 million, together with A\$61 million in assumed AH Marks debt. The two new businesses are expected to contribute approximately A\$5 million in additional net profit in the current Nufarm financial year and an estimated A\$24.7 million in additional net profit in the 2009 financial year.

AH Marks is a privately owned manufacturer and supplier of crop protection and industrial chemicals and is a major producer of phenoxy herbicides and a leading global supplier of intermediates into propionic and selective grass herbicides. The acquisition is expected to strengthen Nufarm's global leadership in phenoxy herbicides.

Etigra is a privately owned supplier of crop protection products, specialising in the US turf and specialty markets. The acquisition is expected to strengthen Nufarm's existing position in the turf and specialty segment by providing additional products and a complementary distribution platform.

The Board values the support of the Company's retail shareholders, and is pleased to advise that eligible shareholders will be able to participate in the funding of the acquisition via the Nufarm Share Purchase Plan (SPP).

Nufarm Share Purchase Plan

Nufarm successfully completed an A\$200 million institutional share placement on 6 March 2008 to fund the cash component of the acquisitions at an issue price of A\$15.10 per share. In conjunction with the institutional placement, Nufarm's Managing Director, Doug Rathbone, and his related entities, sold 4 million shares in the same institutional bookbuild. Mr Rathbone will remain the Company's largest shareholder with a relevant interest in approximately 25.9 million shares.

The Board is now pleased to invite Nufarm shareholders registered at the close of business on 4 March 2008 with a registered address in Australia or New Zealand to participate in the SPP by subscribing for up to A\$4,998.10 of additional shares in Nufarm without incurring brokerage or other transaction costs. Details of this offer and how to participate are enclosed.

Applications for Australian Resident Shareholders must be received by 5.00pm (Melbourne time) on 31 March 2008 and, for New Zealand Resident Shareholders, by 5.00pm (NZ time) on 31 March 2008.

Applications received after that time will not be accepted.

The SPP is intended to raise up to A\$25 million. If the total value of applications for shares exceeds A\$25 million, the Company reserves the right to scale back the applications accordingly.

Having considered a wide range of funding options for the acquisitions, the Board believes the chosen funding strategy of institutional share placement and SPP is the most efficient, minimizes the cost of capital and allows both Nufarm's institutional and retail shareholders to participate in the equity raising.

I encourage you to read the terms and conditions of the SPP carefully. If you require additional information you may wish to contact the Shareholder Information Line on 09 488 8777 for New Zealand Shareholders or 1300 764 031 or 61 3 9415 4872 for Australian Shareholders or visit the company website www.nufarm.com.

The acquisition of AH Marks and the business of Etigra are important strategic developments that will provide a platform for profitable growth of the Company in the future. The Directors commend the opportunity to participate in the SPP to you and invite you to carefully consider the enclosed material.

If you are in doubt as to how to act on this matter you should contact a professional advisor.

Thank you for your continued support.

Yours faithfully

KM Hoggard
Chairman

Nufarm Share Purchase Plan

Nufarm Limited (Nufarm) is pleased to provide eligible Nufarm shareholders with the opportunity to participate in the Nufarm Share Purchase Plan (the **SPP**) by subscribing for up to A\$4,998.10 of additional shares in Nufarm without incurring brokerage or other transaction costs. Details of this offer and how to participate are set out below.

Acquisition of AH Marks Holdings Limited (UK) and proposed acquisition of Etigra LLC (USA)

As announced to the Australian Stock Exchange (ASX) on 5 March 2008 Nufarm has acquired AH Marks Holdings Limited (AH Marks) and has signed a letter of agreement to acquire certain of the assets of Etigra LLC. Total consideration will be A\$236 million, consisting of cash consideration of A\$175 million, together with A\$61 million in assumed AH Marks debt. The cash component of the acquisitions is to be funded by a A\$200 million institutional equity placement (the Placement).

Nufarm successfully completed the Placement on 6 March 2008 at an issue price of A\$15.10 per share.

Eligible Australian and New Zealand shareholders are invited to participate in the SPP. The SPP is intended to raise up to A\$25 million. If and to the extent to which the total value of applications for shares under the SPP exceeds A\$25 million, Nufarm reserves the right to scale back applications.

Eligibility to participate in the SPP

You are an eligible shareholder and may participate in the SPP if you were a registered holder of fully paid ordinary shares in Nufarm (Nufarm Shares) at the close of business on 4 March 2008 (the Record Date) with a registered address in Australia or New Zealand, unless:

- (a) you hold shares on behalf of another person who resides outside Australia or New Zealand and do not hold shares in any other capacity; or
- (b) you are a "U.S. person", as defined in Regulation S under the U.S. Securities Act of 1933 ("**U.S. Person**"), or acting for the account or benefit of a U.S. Person.

The Nufarm Board has determined that because of foreign securities laws, it is not practical for holders of Nufarm Shares with registered addresses in jurisdictions other than Australia or New Zealand to participate in the SPP.

- **Single holders:** If you are the only registered holder of a holding of Nufarm Shares, but you receive more than one offer under the SPP (for example, due to multiple registered holdings), you may only apply for one maximum parcel of Nufarm Shares.
- **Joint holders:** If you are recorded with one or more other persons as the joint holder of a holding of Nufarm Shares, that joint holding is considered to be a single registered holder for the purpose of the SPP, and the joint holders are entitled to participate in the SPP in respect of that holding. If the same joint holders receive more than one offer under the SPP due to multiple identical holdings, the joint holders may only apply for one maximum parcel of Nufarm Shares.
- **Trustees and nominees:** If you are expressly noted on Nufarm's share register as a trustee or nominee for a named beneficiary, you may apply for one maximum parcel of Nufarm Shares in respect of each such beneficiary. If the Nufarm share register does not record a named beneficiary in respect of your trustee or nominee holding, the rules for multiple single holdings apply.

These materials do not constitute an offer of securities in the United States or to, or for the account or benefit of, "U.S. persons" (as defined in Regulation S under the U.S. Securities Act of 1933 ("U.S. Securities Act")) ("U.S. Persons") and may not be sent or disseminated, directly or indirectly, in the United States or to any U.S. Person in any place. Nufarm's shares have not been, and will not be, registered under the U.S. Securities Act or the securities laws of any state of the United States and may not be offered, sold or otherwise transferred in the United States or to, or for the account or benefit of, any U.S. Person except in compliance with the registration requirements of the U.S. Securities Act and any other applicable states securities laws or pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the U.S. Securities Act and any other applicable state securities laws.

Participation is optional

Participation in the SPP is entirely optional (subject to the eligibility criteria set out above). The offer to acquire Nufarm Shares is not a recommendation. If you are in any doubt about this offer, whether you should participate in the SPP or how such participation will affect you (including taxation implications), you should contact a professional advisor. Nufarm also recommends that you monitor the Nufarm Share price, which can be found on Nufarm's website at www.nufarm.com or in the financial pages of major newspapers.

Offer price

The offer price for each Nufarm Share under the SPP is A\$15.10, which is the same price at which Nufarm Shares were issued to institutional investors under the Placement.

No brokerage commission or other transaction costs are payable by shareholders in respect of the acquisition of Nufarm Shares under the SPP.

As at the close of business on the Record Date the market price of Nufarm Shares was A\$16.10. The offer price of A\$15.10 is less than the market price at which Nufarm Shares have traded in the period between 13 February 2008 and the Record Date.

You should note that the Nufarm Share price may rise or fall between the date of this offer and the date when Nufarm Shares are allotted and issued to you under the SPP. This means that the price you pay per Nufarm Share pursuant to this offer may be either higher or lower than the Nufarm Share price at the time the Nufarm Shares are issued and allotted to you under the SPP.

Number of Nufarm Shares offered under the SPP

If you are eligible to participate in the SPP you may apply for a specified number of Nufarm Shares under one of the following alternate offers.

| Offer | Number of Nufarm Shares Offered | Total Amount Payable (number of shares x A\$15.10 per share) |
|-------|---------------------------------|---|
| 1 | 66 | A\$996.60 |
| 2 | 132 | A\$1,993.20 |
| 3 | 198 | A\$2,989.80 |
| 4 | 264 | A\$3,986.40 |
| 5 | 331 | A\$4,998.10 |

You must apply for a total number of Nufarm Shares as specified under Offer 1,2,3,4 or 5. It is not possible to apply for a smaller or larger number of Nufarm Shares.

Maximum Applications

The offer under the SPP needs to comply with requirements prescribed by the Australian Securities and Investments Commission. Under those requirements, the maximum application price that may be paid for Nufarm Shares which may be applied for under the SPP (namely a maximum of A\$4,998.10) applies irrespective of how many shares you held on the Record Date. In light of these requirements, Nufarm has determined that the maximum number of Nufarm Shares that will be offered under the SPP to each eligible shareholder will be 331. This limit applies irrespective of whether you hold shares in more than one account or received more than one of these SPP letters. The offer under the SPP to New Zealand residents is made pursuant to the provisions of the Securities Act 1978 and, specifically, to the provisions of the Securities Act (Overseas Companies) Exemption Notice 2002.

Please note that as part of your application for Nufarm Shares under the SPP you must certify that the aggregate application price of all your applications under the SPP does not exceed A\$5,000.

Nufarm reserves the right to reject any application for Nufarm Shares under the SPP to the extent it considers that the application (whether alone or in conjunction with other applications) does not comply with these requirements.

Scaling back applications

If and to the extent to which the total value of applications for Nufarm Shares under the SPP exceeds A\$25 million, Nufarm reserves the right to scale back applications.

If this occurs, you may be allocated Nufarm Shares to a value which is less than you applied for. Any determination by the Board in respect of any scaling back will be final.

If a scale-back occurs, Nufarm will refund any excess application money to you (without interest).

Non-renounceable offer

The offer to purchase Nufarm Shares under the SPP is non-renounceable. This means that you cannot transfer your right to purchase Nufarm Shares under the offer to anyone else.

No other participation costs

No brokerage, commission or other participation costs are payable by you in respect of the acquisition of Nufarm Shares under the SPP.

Ranking of Shares

All Nufarm Shares issued under the SPP will rank equally with existing Nufarm Shares from the date of issue, and therefore will carry the same voting rights, dividend rights and other entitlements as existing Nufarm shares.

Binding terms

By accepting the offer to purchase Nufarm Shares under the SPP, you agree to be bound by these terms and conditions and Nufarm's constitution.

How to apply for Nufarm Shares under the SPP

If you would like to accept the offer to purchase Nufarm Shares under the SPP and apply for Nufarm Shares, please either:

- (a) for eligible shareholders with an Australian or New Zealand registered address complete the enclosed Application Form and return it, together with your cheque, bank draft or money order made payable to 'Nufarm SPP Account' and drawn in **Australian currency** for the correct amount and in the enclosed reply paid envelope; or
- (b) for eligible shareholders with an Australian registered address only, make your payment for the number of Nufarm Shares you wish to apply for by Bpay, in which case you are not required to return your Application Form and payment will constitute your application for Nufarm Shares under the SPP.

Do not forward cash. Receipts for payment will not be issued.

Applications may only be made in one of the designated amounts set out on page 2 of this Offer (and repeated in the Application Form). If the amount of the cheque tendered with your Application Form or your payment made by Bpay is not one of the designated amounts, Nufarm reserves the right to return your application money and Application Form (if any) and not allot any Nufarm Shares under the SPP to you.

Applications for Australian Resident Shareholders must be received by 5.00pm (Melbourne time) on 31 March 2008 and, for New Zealand Resident Shareholders, by 5.00pm (NZ time) on 31 March 2008.

Applications received after that time will not be accepted.

Applications and payments under the SPP may not be withdrawn once they have been received by Nufarm. Application money will not bear interest under any circumstances.

Allotment and quotation dates

Nufarm Shares will be allotted under the SPP as soon as reasonably practicable, and Nufarm will apply for those Nufarm Shares to be listed for quotation on the ASX.

Nufarm will issue a holding statement or confirmation advice in respect of the Nufarm Shares allotted to you under the SPP. You should confirm your holding before trading in any Nufarm Shares you believe have been allotted to you under the SPP.

Withdrawal, suspension, termination, anomalies and disputes

Nufarm reserves the right to waive strict compliance with any provision of these terms and conditions, to amend or vary these terms and conditions and to suspend or terminate the SPP at any time. Any such amendment, variation, suspension or termination will be binding on all eligible shareholders, even where Nufarm does not notify you of that event.

Nufarm may make determinations in any manner it thinks fit, in relation to any difficulties, anomalies, or disputes when they may arise in connection with or by reason of the operation of the SPP whether generally or in relation to any participant or application. Any determinations by Nufarm will be conclusive and binding on all eligible shareholders and other persons to who the determination relates.

Nufarm's right may be exercised by the Board or any delegate of the Board.
