Dear Stephen,

We would like to take this opportunity to thank you for your contribution to the 2000 Freelance Convention for Journalists, Artists and Photographers. The spirit of the convention is about sharing thoughts and skills among peers to promote quality work.

Your contributions to the exchange of ideas and information were an inspiration to the freelancers that attended the convention.

We would like to make the most of your contributions by replicating them on the Alliance Online website. We would greatly appreciate it if you would send us copies of your papers, notes and thoughts that you shared at the convention to dtownsen@meaa.aust.com before the Convention becomes a distant memory!

We hope that you enjoyed the experience of the convention as much as we did.

Best wishes,

Danielle Townsend
