Mr Stephen Mayne

Dear Stephen

Thank you so much for your fantastic contribution to our conference – Communities in Control. The feedback on your session was extremely positive - stimulating new thinking and action.

We were all overwhelmed by the generous, positive responses to this gathering and we will be ensuring that the momentum is mobilised. The first outcome will be an agenda for action based on all of the contributions and feedback from the conference – this will be sent to you for your comments and input.

I hope that you will enjoy this token of our appreciation – it is one of my favorite books. Thank you again for all of your support to what I believe is the beginning of an important national initiative.

Warmest regards

RHONDA GALBALLY AO
